EXPERIENCE

INTERNSHIP EXPERIENCE: ETHIOPIAN AIRLINES - RAPID APPLICATION DEVELOPMENT TEAM

from June 28 to August 28, 2023

During my internship at Ethiopian Airlines, I completed an independent rapid application development project with the support of the experienced Rapid Application Development team. I utilized ASP.NET for backend development and ReactJS for frontend development over a two-month period. This project enhanced my skills in ASP.NET and ReactJS, improved my problem-solving abilities, and equipped me for complex projects in a professional setting. It has been a significant milestone in my software development career, solidifying my passion for the field.
